Don and Barb Nunnally tag team to present the Dec. 3rd program. Don does the introductions and runs the “camera” while Barb tells us all about their fabulous trip in Southwestern United States.

Mike Johnson helps his prote'ge' explore his Santa sack

Santa gives every child a hug and a present!

Mary Peterson Weitzel assists her charge with his food!

## PROGRAM NOTES

December 3—Don and Barb Nunnally took an extended trip this last summer to the National Parks of the Great Southwest? Barb tells a wonderful tale of adventures in The Arches (saw mountain climbers who were from Creighton and Grand Island), Zion (walked on the Navajo & Peekaboo trails), Bryce (saw more mountain climbers), Grand Canyon, Mesa Verde, Pagosa Peak, and Oceanside, CA .

December 11—Many of us enjoyed lunching at Head Start and seeing their wonderful facilities. Don't miss next year as it is an enriching experience. The HHS Madrigals wowed the kids with music when they showed up at the OK Café a week early! One young man was completely awed by all the “pretty girls”!

December 13—Rolling out at 7:15 in the morning is worth it when you see the great fun children have in giving as they buy gifts for their families. Salvation Army locates the families for us and later we ring the bells to help with their fund raising at Christmas.. It's a great day!

December 18—The Hastings High Madrigals (a group started by our own Don Goodrich!) entertained us with the most wonderful and intriguing Christmas Music presentation - given as if we were all presnet at court in Merry Old England!

Two of the most delightful events in which the Hastings Kiwanians participate are the Head Start Lunch with Santa (above) and the K-Mart Shopping spree. Don't miss next year!
